- Missions:** Pray for Henry & Caroline Krahn, serving with EMMC in Santa Cruz, Bolivia. "Henry is still working on getting the first new school building completed. The two of us managed to put on the outside wooden stripes so that the metal plates could be attached and last week Arnaldo helped him put the plates on. Now one peak still needs to be done, the ceiling put in, painting and electrical. Then it may be ready to move. Herbert Toews says that more families are moving into Hacienda Verde (to date there are 11 families and 2 single teachers living there) and so as a school board we are trying to plan ahead. We will have 6 teachers next year. We are excited that Heike Neufeld will be joining our staff. She and her husband Stanley are moving here from Paraguay. She already knows the Spanish language so this is a huge asset to us. Then we are currently seeking one more teacher. Please pray for the families in Hacienda. Many are thrilled that their children have this opportunity to learn and understand the Spanish language and other life skills. But some of them still do not understand the importance of education for their children. They say, 'my child does not need any more school, they already know so much more than I do, I need them at home to help with the family work'. This is so hard for the teachers who can see that the children really want to be in school and still need to learn so much to be able to be successful adults here in Bolivia. There is always something that keeps us busy. We plan and the Lord orders our steps. Thank you once again for continuing to support and pray for the work in Bolivia."
