- Missions:** Please pray for Clara Klassen, serving in Benin, West Africa with SIM. "I began the month of December at the TWR dam site—not for work, but to relax at their cottage. Since coming back in May my work schedule has been quite full so when one of my council meetings got cancelled at the last minute, I decided that the hole left in my schedule afforded me the much needed break I was looking for—a time of spiritual retreat and physical renewal. Reading for hours; swimming in the dam; and cooking on the open fire while watching the sun go down was just what I needed to distract my thoughts from work. It also gave me time to reflect on God's goodness to me this past year. I thank God for the many prayer supporters I have. Your ongoing prayers and support has sustained me through the many challenges I have faced this past year both physical and spiritual. Thanks for being there for me.
Please pray for: Our leadership team—for wisdom, courage and grace to lead the Benin Togo team God has entrusted to us; for safety on our roads and for protection from the malaria and dengue carrying mosquitoes."
