1. **Missions:** Please pray for Nate & Tash Enns, serving in Asia-Pacific, with NTM. "In the past two months there have been some big changes. Tash's parents came to visit us for almost a month starting in mid December. They helped us renovate our new place and move into it. Our time at the guest house came to a close in late December. In the past few months, we, along with various members of our team, have met

with local evangelists, church leaders and college students. We've been trying to get a better picture of what life is like within the area of this province that we have been feeling God's calling to. Praise Items: *Some good progress has been made in looking for information for our up-coming people group assessments (PGAs). *We already found and moved into a place to live for the coming year and received help in making it into a home. *Great contacts so far in seeking info from the location of our future ministry. Prayer Requests: *Guidance and good health as we prepare for and go on our upcoming PGAs - perhaps the first of them as soon as February! *Safety for our families staying at home. *Financial provision for the house we'll need to build in the interior later this year, Lord willing. Thank you for your faithfulness in praying, giving and encouraging us!"

If you would like to donate cash, please give the money to any SLB member. Thanks so much for helping us meet this need.
