- Missions:** Please pray for Nate & Tash Enns, serving in Asia Pacific, with NTM Canada: "In our last newsletter we asked for prayer about the decision to work with the Batero people. Some felt strongly about not working there: the hurdle of finding enough language helpers was too large and, since God never clearly directed us to work with the Batero people, we had to go along with the team's decision. We pray that God will direct another team to learn their language and teach them His plan of salvation. We have been tentatively putting out feelers in the direction of various other people groups elsewhere in the province, but I (Nate) have been losing heart with each setback. At what point is it safe to assume that God has something else planned for us? We finally came to that realization late in April. There was a lack of peace and we talked about it a great deal and concluded that we just want to do what God wants us to do. How freeing it was to realize that God was leading us in a new direction. We don't know what God has in store for us, but there are areas of service to be useful in while we look for God's direction. Please pray for continued direction for God's will in the future."
