1. **Missions:** Please pray for Arlie & Eva Peters, serving with EMMC in Bolivia: "Although Arlie is no longer director of the Villa Vieva school, he is still the director of education for our MEM team here in Bolivia. As suck, he is working with 5 schools outside of Villa Nueva, only one of them having been directly started by our mission - the school in Hacienda Verde (San Jose area). The other 4

have been started by groups of families, 3 of them still located in or beside the colonies, with the help of a mission organisation from Germany. We truly appreciate your continued prayers and financial support in our ongoing ministry here in Bolivia! God has truly blessed the work He has for us here, and what joy to see the ministries that we have been involved in growing, maturing, and being passed on to local leadership! We are so blessed to see some of the fruit of the labour which God is producing right here around ! Without our many coworkers and without you, our faithful supporters, that would not be possible. You are a key member of our team! Thank you! Blessings from Bolivia."
