1. **Missions:** "Dear Sutherland folks: I'm in the midst of cleaning up my desk and clearing out the Inbox so I can go to Abbotsford for a month of vacation. My parents haven't been doing well so I decided it might be best to take my vacation in Canada again. It's not always as relaxing as a bit of time on the ocean front but I'm conscious of the fact that this could be the last time I see them. It's been a busy month for me as I've had several invitations to teach and it's the month where our team comes together for a Day of Prayer. This time we added 3 school/camp days of our MKs who are all homeschooling. It's a time to be together in the classroom and do some neat science experiments and fun math. They studied Hudson Taylor—skits and all. The photo is of me teaching a 2 ½ hours session on Spiritual Disciplines. I'm writing to thank you for the many gifts of financial support. I do appreciate your standing with me in the ministry. I was reminded not too long ago of the day I was baptized at Westmount. It's strange to think that even that day, God knew I was going to spend 40 years in Africa. I've been so blessed. Thanks for all the love and prayers. Love, Clara Klassen"
