- Missions:** Pray for Joel & Amber Cera, serving in Mexico: “Just wanted to take a few minutes and update you and the church on a few things that we have been up to. First and foremost, we would like to thank Sutherland Evangelical Church for their constant prayers and support. We wouldn't be able to serve in the way we do without support from you all. Thank you from the bottom of our hearts. We look forward to seeing you all in October for the missions conference, God willing. We have been very busy and hot here in Juarez. The daily temperatures reach 35 or more on a daily basis. We like the sunshine but sometimes it's a little too much. We have started a bible study every Friday night (Alpha) and we have seen a great outcome. We have dinner together and have had great small group conversations with some new attendees to our church. We praise God for continued growth here in Juarez. The Lord continues to open doors for us to get to know, counsel, and minister to more and more new people in our area. This Saturday we will celebrate our 7th year of being in Juarez. We thank the Lord for how much He has done already and for everything else He still will do. We also praise the Lord for allowing Joel and I to celebrate our 10th anniversary in May! Please pray for: safety and wisdom; new summer projects and discipleship course in another part of the city; and VBS in 2 possible locations. -Joel & Amber”
