

PRAYER FOCUS – OCTOBER 13, 2019

To activate the Prayer Chain, call/email the church or text Bonnie.

- 1. Missions:** Pray for Ken & Bertha, serving with SEND International: “We are back in Russia for the month of October. We rejoined the team in Ufa and are staying in the same apartment in which we lived back in April and May. It looks like we will continue to host a couple of weekly Bible studies and our team meetings at our place as in the past. Our primary purpose in temporarily relocating to Russia is to provide encouragement and support for the mission team living here, particularly the younger members. Just a couple of weeks before we arrived, the team found out that their former team leader, the one who launched this new work a few years ago, is not returning to Russia after their home service. Because of the needs of their family, they will need to stay in America. This decision is not completely a surprise to us, but it is difficult news to process for the younger members of the team, who have a close relationship with their former team leader. Pray that we will have wisdom and insight and that we will be an encouragement and support to the team in Russia.”
