

PRAYER FOCUS – NOVEMBER 10, 2019

To activate the Prayer Chain, call/email the church or text Bonnie.

- Missions:** Pray for Kevin Goertzen, serving in Osler and outlying communities, with Ethnos Canada: "I am really excited to share some things that God has been doing in lives throughout the provinces of Canada. Dave and I had an incredible time doing some Teacher Training in Manitoba. It was well received, and they are flourishing as they are teaching the material and learning how to purposely make disciples who in turn make disciples The La Loche / Buffalo Narrows group is growing as they learn that every believer is a disciple of Christ. And as disciples, we follow Christ who will make us to become fishers of men. I wish we could sit in on the discussions as they are very real and practical. The Pinehouse group is also growing as they learn about their abundance and security in the finished work of Christ as pictured in the Old Testament. There have been tears, exclamations of joy and a deep working of the Holy Spirit. Please pray for the ministry: We need help in publication & lesson writing; We need help in financial support; We need your prayers for the Northern believers that are involved in the teaching / training as they will be stretched and challenged. Please pray for Marti and I: That God would continue to grant confidence and peace in our hearts having faith in our Provider for our bills as the year comes to an end; That God would continue to keep me sensitive to the Spirit as he directs my steps between ministry and work - day by day; That God would continue to give wisdom to complete the tasks."
