

## PRAYER FOCUS – JUNE 28, 2020

To activate the Prayer Chain, call/email the church or text Bonnie.

- Missionaries:** Pray for Jake & Shelly Rempel serving with Assist Canada – Cuban Ministries: “The reported number of confirmed cases & deaths related to COVID-19 are fairly low in Cuba. As I type this the numbers are approx 2,300 confirmed cases with 85 deaths. Cuba has a population of slightly more than 11,000,000 people. They attribute the low numbers to their tight lockdown. Churches in Cuba have been shutdown for a few months. Most people do NOT have internet in their home and therefore have no way of receiving online services, fellowship, teaching, and encouragement. Most of them are in more severe isolation than what we are experiencing in Canada. Pastors have now been granted permission to visit home to home with individual families. Cuba continues to experience great shortages in food, daily necessities, and pretty much any other material. Markets are emptier than ever; rations are less and less daily. The food shortage is now critical, and rationing has been decreased by the government in an attempt to distribute what food there is to all the people. Pray for our Cuban brothers and sisters. Pray for medical/humanitarian aid to be allowed past the USA blockade against Cuba. 7 sea containers of medical supplies from China were not allowed past the blockade and 2 cargo ships filled with food from Korea were also blocked.”
