1. **Missionary Focus:** Pray for Pastor Carlos Cabrera, serving with Assist Canada in Cuba: He, his wife Carmen, and their son Robert have all contracted Covid. The hospital in Santa Clara is overflowing so they were sent home. There is no available medication in Cuba so they are on their own. Carmen and Robert are very ill. Carlos a little less. *“Cuba is going through an unpublished and very delicate situation, amid a rise in covid contagion, monetary hyperinflation, shortages of all kinds, proposals for anti-family laws and a series of protests against misrule. Pray for God to have mercy on the island and preserve human lives in the midst of a great tension that could turn into a confrontation between Cubans with a greater number of deaths. Pray for the rulers to be responsible, wise, and just in the face of the demands and the cry of the people. Pray for the economy in the country and for the church to be light at this time and conduct itself with wisdom. And pray for the Lord to keep the physical and spiritual integrity of His people and their pastors, while our believing brothers wait on Him.”*
