- 1. Missionary Focus:** Pray for Pete & Cathy Dyck, serving in Mexico with WEC International: "Dear praying friends, on Feb 15th we had half a dozen police at our door with a summons for Pete to go to the municipal gov't office. Supposedly we are paying rent to the wrong person. A few months after we rented this house a conflict arose between Norma (the lady with whom we have a contract) and Esperanza (the former owner who still has the title deed) (both in the U.S.). Esperanza claims that Norma has not kept up with the payments as agreed, but they never put anything on paper, so it is hard to know who is right. Esperanza has threatened to kick us out if we don't change the contract and pay her the rent and she was behind the unpleasant surprise on Tuesday. Pete went to the office on Thursday, where the person he dealt with (a relative of Esperanza) also threatened him, that if he would not sign a paper saying that he would start paying Esperanza in two weeks then she could arrest him. Norma's lawyer (whom we have been dealing with) was very upset about Pete being forced to sign something against his will and he said that the woman at the office had gone way beyond what she could rightfully do. The lawyer is working on sorting things out, but it appears that Esperanza is not willing to budge. If we sign a contract with Esperanza or if we move then Norma would no longer have possession of the property, which seems unfair since she has bought it. We love the place and would hate to move but if this doesn't get resolved that may be our only choice. Rental houses are very hard to find here and even if we find something suitable it would be quite a hassle to move again. Please pray that this issue would be resolved and that we could stay. Pray for protection and clarity. We feel that it is the enemy trying to discourage us, but we trust that God will take care of us. Thanks for praying for us! -Pete & Cathy"

Grateful: "Thank you for praying, supplying food, and encouraging me over this past month. The Lord is answering prayer and giving answers regarding other health issues. I am grateful for all you have been doing for me and for the new friendships made. – Lois Fehr"

Plan to Protect: As part of implementing Plan to Protect we will be registering all children who attend programs in our church. Parents will be emailed for the information required. Please respond as soon as possible. If you have any questions, please talk to Darlene or Adam.

A Note from Council: At our last council meeting we discussed the idea of sponsoring an Afghan refugee family. This would be a long-term commitment to be headed up by a committee of people. This week an Afghan refugee family that lives a few blocks away contacted the church looking for help. They have been here for four months, but since they came as political refugees, they have no sponsor. They rely on government support that isn't quite enough for their family of eight.

They currently need some food, school supplies, clothes, and a few pieces of furniture. Is this a way to test if we are ready to try sponsorship, a way to get involved without full sponsorship, or simply a divine appointment by God? Either way, we are told to help the poor, and these folks have a genuine need. Please see the list on the back table and check off what you can help with. If we all do a little, we can accomplish a lot of good. You can also donate money towards a gift card for the family if that is easier. Please clearly mark your donation "Refugee family".

Sutherland Family Camp Workday—May 28th: For the whole family – while the adults are working, there are many self-directed activities for the kids— basketball, volleyball, Kadesh Ball, frisbee golf, spike ball, jungle swing, etc. Meals supplied.
