

# PRAYER FOCUS — MAY 1, 2022

To activate the Prayer Chain, call/email the church or text Bonnie.

1. **Missionary Focus:** Pray for Jake & Shelly Rempel – Assist Canada, Cuban Ministries: “One reason for extending my stay in Cuba was to do a true evaluation of the economic collapse in Cuba as well as the impact of COVID. Nearly 2 years since we stepped on Cuban soil and what I encountered was shocking, eye opening, heartbreaking, frustrating and yet, miraculous and filled with hope. Any time I had a few hours of free time, I decided to become a free shuttle service to as many Cubans as possible. Hitchhiking is the most common mode of transportation so it’s easy to find people needing rides and it gave me opportunity to practice my Spanish, make new friends, and share the Good News. With economic crisis, the USA led embargo, and COVID-19, Cuba has become a nation in starvation. Food is scarce and what food there is, is often unaffordable. Rice & beans, a staple across all Latin America, now considered a luxury in Cuba. Prayer requests: for medical and humanitarian aid to be allowed past the USA blockade; for the Cuban church as communities, Christian and non-Christian alike, are leaning heavily on the church for assistance in these difficult times; for God to raise up the desperately needed resources for Cuba; for Assist Canada to find methods to deliver resources.”
