

PRAYER FOCUS — MAY 29, 2022

To activate the Prayer Chain, call/email the church or text Bonnie.

1. **Missionary Focus:** Pray for Ken & Bertha Guenther, serving with SEND International in Kyiv (now in Canada): "We left Ukraine on January 30th, prior to the start of the conflict. Reports we hear from those who fled the bombing or stayed behind are truly horrific. Interestingly many of the refugees are evangelical believers and are going to European countries that have significantly fewer evangelical believers than Ukraine. Could God use this crisis to plant gospel churches in Europe by means of Ukrainian refugees? SEND has responded to over 200 requests for help and distributed close to \$600,000. Most of it going to help churches that are providing shelter, food, and other assistance to those who have been displaced. For now, we will be staying in Canada, at least until July when we go to Michigan to run another Member Orientation Program. SEND will not allow us to return to Ukraine as long as it is in danger of bombing. My (Ken) workload has remained about the same but less convenient dealing with the time zone issues. We are looking for other possible ministry bases around the world. We would welcome your prayers about future decisions. We are also praying for peace in Ukraine so that we can return home."

SEC NEWS

Summer Schedule: During the summer weeks (June 12-Sept. 4) when there is no Sunday School and no Children's Church, there WILL be activity sheets available for the children to make use of during the worship service. A big thank you to all who have taught the Good News through the fall/winter/spring.... enjoy your break!

The SEC Connection submissions: If you have a newsy SEC item, or maybe pictures of one of our events, please send them in! All submissions are welcome and due by **NEXT SUNDAY**.

Volunteers Needed: Pastor Adam will be away for much of the summer (holidays & working at Kadesh) and there is a need for volunteers to do the weekly cleaning of the church and/or cutting the grass. If you can help for a week or two, please contact the church office or talk to Adam.

Kadesh Corner: This week we had the first 4 school groups of what will be over 1500 students this spring. Spring is a great entry point into summer, and we know that many campers sign up because of a trip to Kadesh in Spring. *Please pray.* We continue to deal with COVID at camp. We have protocols when someone tests positive, but it often means losing that staff member for the week. *We are asking for supporters to pray for health this spring and summer. Not only for protection from getting sick, but for the increased work load and stress as we have to adjust schedules for everyone on staff.*
