

PRAYER FOCUS – JANUARY 28, 2024

To activate the Prayer Chain, call/email the church, or text Bonnie.

1. Missionary Focus: Pray for Jake & Dorothy Fehr, serving in Bolivia with The

Great Commission Foundation: "A group of believers from the Pando Department of Bolivia are asking RCB to help them with getting their radio license and to help them set up a radio station. Pray for this new project. With six stations on air there is always a lot of maintenance work to do. Jake and his technical team travel to the different stations working on the transmitters & other technical issues, at other times the broadcasters come to the RCB Santa Cruz office for more training. Presently we are working on the

logistics of setting up a satellite program distribution, to broadcast programming beyond what we are doing now. Donated funds will be used for equipment and setting up the satellite network. The local satellite link operations will cost \$620/month CAD and this we would like to cover locally. Thank you for your many prayers & support for the radio work here in Bolivia. We could not be here without your blessings. We pray for you too!"

2. Church Family: Terry & Judy Beauchamp – Harvey & Carol Bueckert – Kara Ditchburn – Dale & Sheryl Doerksen – Leesa Doerksen – Ken & Helen Dymond

3. Birthdays: Shirin Patres (today), Jordyn Letkeman (today)

4. Prayer Requests:

-Pray for Paula McKenzie. The surgeon confirmed that her hip socket needs replacing, and she has been placed on the urgent surgery list. Meanwhile she must be cautious. Pray for patience, strength, and a quick surgical opening.

-Continue to pray for Xavier Stobbs and parents, Graham & Monica, as they wait for news about the possible malignancy of Xavier's neuroblastoma. Pray for Xavier as he has more tests and possible treatment.

New Wednesday Bible Study: “What Can We Know About the Second Coming?”

Where do we stand after 2,000 years of false alarms & the current “future fatigue”? Should we join those who have thrown in the towel on prophetic study in favour of “more practical, life-related issues”? Or, if we are convinced that nothing is more practical than to look for our Lord's return, how should we do that? Should we be expecting an any-moment return? Or should we be more concerned about preparing for the coming years of unparalleled trouble that the prophets predicted? In an effort to answer some of these questions, this study will lead you to an increased awareness of what the Bible has to say about our Lord's promised return.
