- 1. Missionary Focus:** Pray for those serving in Africa with Beautiful Feet Ministries: “From Shawn and Pastor Luke from their time in Northwest Kenya, Samburu Outreach: ‘Today we had the opportunity to visit a Samburu homestead in a remote part of northern Kenya. During our time there, we encountered a community living under constant tension due to ongoing conflicts in the region. Many families shared their concerns about cattle raids and insecurity along the border areas. They are on watch for neighbouring rival tribe that raids them and steals cattle and sometimes women. There has been a lot of killing over the years. The village is displaced people fleeing the violence and forming a colony to protect each other and their livestock. They all have guns. We were warmly received by the Samburu people. We spent time with the men, women, and children—listening to their stories, praying with them, and encouraging them to remain strong and united.’”
